Makes flowers in all ways and many more plants blooms open. Till early, pretty, the prettiest and up to center with every white and beautiful. Quality as well as show form and a must have for the home garden.

I'll take the blame as I am responsible for my catalog. I did not have my page of unlabelled collections in my catalog. Can you imagine that? These are extremely popular. We sell thousands of them every year to the great pleasure and satisfaction of everyone.

We always have these collections. They vary from year to year and season to season according to the stock available, but we have them. If you want a nice glad garden but don't want to bother to keep the varieties separate, these collections will fill the bill. They really are wonderful value and I don't believe any other collections in the country can equal them. I have hundreds of varieties to draw from to make up these collections—many varieties that no other grower has.

And the price! In spite of inflation hitting everything else and costs going up every day, we have kept the prices of these unlabelled collections the same for several years. This seems cockeyed but with a big volume of sales we are getting by. But someday soon I shall probably have to raise prices.

Good. We sell quantities of all of them.

SPECIAL COLLECTIONS AND SETS

Unlabeled Collections

The following collections are just the thing for those who don't care to keep the names of the varieties separate, but do want a nice garden of glads. I sell thousands of these collections every year and have a great many fine reports on them. If these bulbs were sold separately under name they would cost several times the price asked as collections. No extras on collections except as noted. They are very big value as is. Shipped prepaid.

These unlabeled collections are better than ever this year, with many new varieties in them never used before. You would be amazed if you knew some of the varieties in the Deluxe and Super-Duper collections. Though prices have had to be raised in some cases, these collections are the same as in past years. Big Value.

STARCOLLECTION No. 1. 100 assorted large bulbs (1½ inch up) in about 40 varieties in many different shades and colors. I have sold this collection for years and have thousands of very well pleased customers. I POSITIVELY GUARANTEE THAT THERE IS NOT A BETTER COLLECTION SOLD BY ANY GROWER IN THE COUNTRY FOR ANYWHERE NEAR THE PRICE. The collection varies from year to year but always contains a great variety of colors and many fine varieties. I get many repeat orders every year from well pleased customers. 100 for $6.00, with 50 at the same rate, 30 for $2.00. With each 100 bulbs of this collection I will put in FREE 1 bulb of some other fine variety of my selection, labeled worth at least $1.00.

STARCOLLECTION No. 1A. SAME COLLECTION IN MEDIUM SIZE BULBS. 100 bulbs for $4.00, 50 for $2.00. With 100 bulbs will give a free bulb as in Star Collection No. 1.

The above two are our biggest bargains. The price has not been raised in years. They are made up mostly from varieties selling for $1.20 and .80c per 10 and others of that value with some worth even more if sold under name.

DELUXE COLLECTION No. 3. 40 or more varieties, many of them being exhibition sorts and worth several times the price asked. Real aristocrats in gladiolus. 100 for $12.00, 50 for $6.00, 25 for $3.00.

DARK-COLORED COLLECTION No. 3. Here is a new unlabeled collection that will appeal to many people. It contains no white or light colors. Most people have too many light ones in proportion to dark colors. Hence this offering. It contains some high priced varieties worth several times the cost of them here. About 40 varieties in a collection.

100 for $10.00 50 for $5.00 25 for $3.00

ALL RUFFLES COLLECTION No. 9. Large. Here is an unlabeled collection of varieties that are all ruffled, rolled, fluted or incised. 25 varieties. The finest collection of this sort to be had.

$12.00 per 100, 50 or 25 at the same rate.

DARK-COLORED COLLECTION No. 5A. Medium size. The same as No. 5 collection but may contain even more varieties than the No. 5.

100 for $6.00 50 for $3.00 25 for $1.75

SUPER-DUPER COLLECTION No. 7. This is the last word in an unlabeled collection. It contains bulbs worth as much as $1.00-$3.00 each. Some of the very newest and a well rounded assortment as to color and form.

100 for $25.00 50 for $12.50 25 for $7.50

NONE OF THE ABOVE COLLECTIONS ARE LABELED AS TO VARIETIES. Don't ask us to give you the names of the varieties in the collections as we positively do not do it at these prices. If you want them labeled, buy them under name. I guarantee the collections to be the best you can buy for the price. There are no extras on these collections except as noted.
